

# MC 100

## Front Load / Single Acceptor / Single Hopper

Standard's Modular Series were designed for "simple function" coin dispensing. But don't let that term fool you. These changers are excellent bill & tokens changers, and offer a variety of 'plug & play' options to help you customize the machine to your specific business needs. For example, all Modular series machines have our Fast Vend Shut-Off/Auto Reset feature - a software solution to help minimize loss due to stringing. Likewise, our dual acceptor machines have Dual Redundancy - which allows both bill acceptors and hoppers to communicate with each other. Standard's MC Series changers provide the ultimate in flexibility in low-cost solution.

The MC Series Changers feature:

- Front Load configurations for Change or Tokens
- Pyramid Technologies® APEX 5000 with 500 bill stacker (other acceptors available)
- Modular Smart Hopper(s) – holds 3,200 Qtrs. (\$800) each. (1) or (2) hoppers available
- Heavy gauge steel cabinets with solid welded seams (no rivets or spot welds)
- High gloss powder-coated enamel paint finish with applied Lexan™ graphics
- Two Year Limited Warranty & ETL Certified in accordance with UL & CSA standards

Height	Width	Depth	Shipping Weight	Changes
32"	8.5"	13"	90 lbs	\$1 / \$5 / \$10 / \$20

Number of Hoppers/Capacity	Number of Validators	Stacker Capacity
1 / \$800 / 3200 Qtrs.	1	500 Bills
